The Company

Farmington, NM - Navajo Agricultural Products Industry ("NAPI") is a wholly-owned enterprise of the Navajo Nation founded by the Navajo Tribal Council in 1970. The vision of NAPI is, "Farming sustainably across generations to cultivate a healthy Nation."

In doing so, NAPI continues to grow toward 110,630 acres of farmland with Navajo Pride™ alfalfa, corn, wheat, beans, potatoes and organic products.

Expectations, When Accepted:

- Maintain appropriate academic progress (2.50 GPA cumulative on 4.0 scale)
- Official transcripts within 30 days following the end of the semester.
- Participate in all NAPI Scholars scheduled meetings and college offered leadership activities and tours.
- Attend university offered Financial Aid workshops each semester and apply for all other applicable financial aid.
- Purposefully cultivate working relationships with industry mentor and college advisors.
- Participate in collegiate level professional society in their chosen discipline.
- Accept annual internship experiences offered by NAPI.
- Accept competitive offer of professional employment at a competitive salary from NAPI for a minimum of one-half the time of participation in the NAPI Scholars Program.**
