III. POSITION AUTHORITIES AND ACCOUNTABILITIES:

General:

Position has a moderate level of line responsibility and moderate-level authority to make independent decisions over an assigned department or function. A person in this position has a moderate level of responsibility for a key operation or function.

Results of Action:

Decisions will have a high degree of impact on operations or services. Errors may result in significant disruption of operations or services or damage to operational activities. Errors in accuracy, judgment, tact or communication could result in a loss of productivity, and a significant loss of credibility and potential income for the organization. Failure to establish and monitor work schedules for the Department will result in an inability to meet deadlines and will delay the completion of records and other projects.

Budgetary & Financial Resources Accountability:

Position has low level of accountability for budgetary or financial decisions, and decisions will have a high degree impact on resource utilization within NAPI; responsible for a moderate level of impact on an operating budget for the Department;

Equipment/Material Management & Accountability:

Position has a moderate level of responsibility for equipment, material, or supplies; proper utilization is required plus accountability for first-echelon maintenance may be required; minimal authority and accountability for purchase within strict policy guidelines may be present.

Confidential and Sensitive Information:

- Incumbent has a moderate level of access to sensitive and proprietary company data, including but not limited to services, legal and financial data, and an essential job result is the maintenance of a high level of confidentiality of the information processed by the employee.
- Incumbent has no access to personal and professional data regarding individual employees and their families, and to personal data regarding customers/clients/members and their families, and must comply with the Fair and Accurate Credit Transactions Act (FACTA) to keep that data secure and private.
- Incumbent has no access to health data of employees and their families, and to health data of customers/clients/members and their families, and must comply with the Health Insurance Portability and Accountability Act (HIPAA), to keep that data secure and private.

Independence of Action; Supervision Received:

The Rodent Control Supervisor works under general supervision of the Agronomist. Employee works along on routine work and checks with supervisor only when in doubt. Production generally precedes a check on the quality of work. Established methods and procedures are clearly established and general instructions provided.

Supervision Exercised:

The Rodent Control Supervisor has supervisory authority over all assigned staff, with proper delegation to other supervisors within the department. Determines work procedures, schedules and priorities. In addition to direct supervisory authority of this position, the Rodent Control Supervisor may retain functional authority over specific projects or areas of responsibility as specified in this Job Description or otherwise delegated by the Agronomist.
