

Navajo Agricultural Products Industry (NAPI) POSITION DESCRIPTION

JOB TITLE:	HEAVY EQUIPMENT OPERATOR W/CDL	JOB CODE:	
		PAY GRADE:	ST
DEPARTMENT:	Various Departments	PAY STATUS:	Full-Time/Hourly
REPORTS TO:	Various, depending on assignment	REGULAR/SEASONAL:	Regular
APPROVED BY:	<i>Bulah Q. John</i> Human Resources Manager	DATE APPROVED:	4/18/2018

I. POSITION FUNCTION SUMMARY:

Under direct supervision, the Heavy Equipment Operator operates heavy equipment and machinery effectively, efficiently, and safely to assist and support various department, including O&M Civil Works and Farm Support Services. The Heavy Equipment Operator operates several types of heavy equipment and may repair and maintain equipment in addition to other departmental assignments

II. ESSENTIAL FUNCTIONS, DUTIES, AND RESPONSIBILITIES:

The following statements are essential functions of this position and not intended to be all-inclusive; rather, they are intended to describe the general nature and level of work to be performed. They are not to be construed as an exhaustive list of all responsibilities, duties and skills required of the incumbent, and an employee may be directed to perform other reasonably related job duties and responsibilities. NAPI reserves the right to revise or change the job duties and responsibilities as the need arises, based on business need, and this position description may be updated accordingly. This position description does not constitute a written or implied contract of employment.

General Duties & Responsibilities

1. See DEPARTMENT JOB ASSIGNMENTS beginning on page 2.

Other

2. Works collaboratively, cooperatively, and in coordination with fellow team members and with others in the organization, treats them with respect, courtesy and consideration, and shows understanding and the appropriate support of other team members to help get the job done.
3. Provides information, guidance and resources to diverse groups of customers, clients and others outside of the organization; treats them in a friendly manner with professionalism, helpfulness, respect, courtesy and consideration at all times regardless of circumstances.
4. Maintains regular, dependable attendance and punctuality, and physical presence at the assigned worksite; must interact directly with people or objects at the worksite on a regular basis. Communications technology may, for certain tasks and under certain circumstances, enable an employee to effectively perform some of the work-related duties from home on a temporary basis.
5. Complies with all applicable environmental health and safety policies, procedures and work rules, giving maximum effort to performing job functions in a manner that protects the health and safety of the incumbent, co-workers, and the general public.
6. Performs other duties as assigned and which are deemed necessary or desirable by NAPI.

DEPARTMENT JOB ASSIGNMENTS

This Job Description is intended to be somewhat general in nature with respect to the job family, and as such it does not detail all duties of a particular job assignment. Additional duties, responsibilities, and accountabilities may be assigned to an incumbent in this position depending on the Department Job Assignment.

Farm Support Services

1. Operates fuel truck delivery service to tractors, heavy equipment, and generators.

21. Aligns machines, cutter heads, or depth gauge makers with reference stakes and guidelines or ground or position equipment, following hand signals of other workers.
22. Loads and moves dirt, rocks, equipment, and materials, using dump trucks, tractors, loaders, excavators, backhoes, power cranes, shovels, graders, or related equipment.
23. Drives and maneuvers equipment equipped with blades in successive passes over working areas to remove topsoil, vegetation, and rocks, and to distribute and level earth or terrain, without damaging existing signage and structures along canal roads and lateral right-of-way.
24. Coordinates machine actions with other activities, positioning or moving loads in response to hand or audio signals from crew members.
25. Assists the warehouse in yard housekeeping, constructing storage buildings, fences, waste material organization and handling practices.
26. Performs other duties related to facility and equipment repairs, procurement of materials, communication with dispatch in maintenance work orders, repairs of lateral pipelines and canal systems.

III. POSITION AUTHORITIES AND ACCOUNTABILITIES:

General:

Position has low to no level of line responsibility and very limited authority to make independent decisions over an assigned department or function.

Budgetary & Financial Resources Accountability:

Position has no accountability for budgetary or financial decisions, and decisions will have no impact on resource utilization or budget within NAPI.

Equipment/Material Management & Accountability:

Position has a minimal level of responsibility for equipment, material, or supplies; proper utilization is required plus accountability for first-echelon maintenance may be required; no authority and accountability for purchase within strict policy guidelines may be present.

Confidential and Sensitive Information:

- Incumbent has limited access to sensitive and proprietary company data, including but not limited to services, legal and financial data, and an essential job result is the maintenance of a high level of confidentiality of the information processed by the employee.
- Incumbent has limited access to personal and professional data regarding customers, and must comply with the Fair and Accurate Credit Transactions Act (FACTA) to keep that data secure and private.
- Incumbent has no access to health data of employees and their families, and to health data of customers/clients/members and their families, and must comply with the Health Insurance Portability and Accountability Act (HIPAA), to keep that data secure and private.

Independence of Action; Supervision Received:

The Heavy Equipment Operator works under direct supervision in each assigned department. Production generally precedes a check on the quality of work. Established methods and procedures are clearly established and general instructions provided.

Supervision Exercised:

The Heavy Equipment Operator is responsible for own work, and has no supervisory authority or responsibility, although the Heavy Equipment Operator may have functional authority over specific projects or areas of responsibility as specified in this Job Description or otherwise delegated by the Supervisor.

IV. POSITION QUALIFICATIONS AND REQUIREMENTS:

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill and/or ability required for the position, but is not a comprehensive list. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Education and Experience:

Required:

- High School Diploma, GED, or High School Equivalence.
- Certificate in Commercial Driver's License
 - Farm Support Services: CDL with Hazmat Endorsement
 - O&M Civil Works: CDL Class A with TX Endorsement

Preferred:

- Certification in Heavy Equipment Operator Training.
- College Course work in Vocational courses
 - Farm Support Services: Mechanical/Electrical Wiring Field or related field of study
 - O&M Civil Works: Welding, Concrete Placement, or Earthwork.
- Prior experience in operating heavy equipment in farming or agricultural business.
 - O&M Civil Works: Irrigation system repair or earthwork construction.

Substitution:

- Prior education/training can be substituted for previous work experience.

Navajo Preference:

Navajo preference will be applied in accordance with the Navajo Preference in Employment Act (NPEA), it is Navajo Agricultural Products Industry's ("NAPI") goal and intention to strictly adhere to the NPEA in all employment practices and hire qualified Navajo Personnel for all positions. Tribal sovereignty support and Navajo preference initiatives are mandatory.

Language Requirements:

Required:

Ability to read and write English in order to understand and interpret written procedures and technical manuals. This includes the ability to give and receive instructions in written and verbal forms and to effectively present information and respond to questions from vendors, contractors, supervisors and co-workers.

Preferred:

Bi-lingual (English/Navajo)

Shared Responsibilities:

As a requirement of their employment, all NAPI employees are expected and required to follow and adhere to the following job responsibilities:

- Support the mission, vision, values, and goals of Navajo Agricultural Products Industry.
- Support excellence in our customer service philosophy, and deliver excellent customer service both to internal and external customers.
- Adhere to all company policies and procedures.
- Follow all safety policies, guidelines, and work rules, and participate in trainings.
- Practice good stewardship of NAPI property and follow policy.
- Act in a professional manner at all times.
- Function from INTEGRITY, HONESTY, and LOYALTY in all activities concerning NAPI.
- Follow the current NAPI Strategic Plan initiatives.
- Maintain and support a team environment within the workgroup, and with other departments.
- Champion NAPI in the community.

Core Competencies:

Performs the essential functions and elements of this position competently, demonstrating adequate progress throughout the course of the introductory period of employment and continuing throughout employment with NAPI. A variety of personal competencies need to be demonstrated by everyone at NAPI, and include but are not limited to:

- **Quality/Compliance:** Achieving a standard of excellence with our work processes and outcomes, honoring NAPI policies and all regulatory requirements.
- **Customer focus:** Striving for high customer satisfaction, going out of our way to be helpful and pleasant, making it as easy as possible on the customer or client, rather than on self, department, or organization.
- **Communication:** Balancing listening and talking, speaking and writing clearly and accurately, influencing others, keeping others informed.
- **Collegiality:** Being helpful, respectful, approachable, and team oriented, building strong working relationships and a positive work environment.
- **Initiative:** Taking ownership of our work, doing what is needed without being asked, following through.
- **Efficiency and Continuous Improvement:** Planning ahead, managing time well, being on time, being cost conscious, thinking of better ways to do things.
- **Coachability:** Being receptive to feedback, willing to learn, embracing continuous improvement.
- **Team Player:** able to work collaboratively with others in the organization, and to work well with diverse groups of people and gain and maintain respect of others, both inside and outside of NAPI.
- **Self-Management:** Skill in managing one's own time, being self-directed, able to work in a changing, stressful, fast-paced and varied work environment; must be detail-oriented and thorough in completing tasks, and persistent in the face of obstacles.

Knowledge, Skills and Abilities:

The Heavy Equipment Operator must be able to perform each essential duty and other job responsibilities satisfactorily, using job related knowledge, skills, and/or abilities needed to perform this job successfully.

- Knowledge of relevant equipment policies, procedures, and strategies to promote effective local security operations for the protection of people, data and property.
- Knowledge of machines and tools, including their designs, uses, repair, and maintenance.
- Knowledge equipment, structures, or materials inspection to identify the cause of errors or other problems or defects.
- Knowledge in servicing, repairing, adjusting, and testing machines, devices, moving parts, and equipment that operate primarily on the basis of mechanical principles.
- Knowledge of principles and processes for providing customer service, which includes customer needs assessment, meeting quality standards for services, and evaluation of customer satisfaction.
- Knowledge in crane hand signals.
- Knowledge of gasoline and diesel engines.
- Knowledge of EPA rules and regulations.
- Skill in controlling operations of equipment or systems.
- Ability to be honest and ethical.
- Ability to accept criticism and dealing calmly and effectively with high stress situations.
- Ability to maintain composure, keeping emotions in check, controlling anger, and avoiding aggressive behavior, even in very difficult situations.
- Ability to be open to change (positive or negative) and to considerable variety in the workplace.
- Ability to be pleasant with others on the job and displaying a good-natured, cooperative attitude.
- Ability to willing to take on responsibilities and challenges.
- Ability of being sensitive to others' needs and feelings and being understanding and helpful on the job.
- Ability to be persistence in the face of obstacles.
- Ability to give full attention to what other people are saying, taking time to understand the points being made, asking questions as appropriate, and not interrupting at inappropriate times.

- Ability to tell when something is wrong or is likely to go wrong. It does not involve solving the problem, only recognizing there is a problem.
- Ability to be reliable, responsible, dependent, and fulfilling obligations
- Ability to be careful about details and thorough in completing work tasks.
- Ability to provide information to supervisors, co-workers, and subordinates by telephone, in written form, e-mail, or in person.
- Ability to analyze information and use logic to address work-related issues and problems.
